

Easter Greetings

He is risen indeed!

This is our favorite celebration. We realize you, our "family," rejoice for the same reason. JESUS! To Him be all the glory!

A Pentecostal Methodist Discovers the Doctrines of Grace

Señor Lagos in Chile saw our web site and wrote requesting study materials:

You have no idea what joy it was to receive your answer to my email. I had nearly lost hope that someone would pay any attention to my requests for help.

Sr. Lagos has now formed a study group with 15 friends using our book on grace, SI JESUS. He adds, "The Holy Spirit is helping me present to my friends the marvelous doctrine of the sovereignty of God and of grace."

Nicolas, director of our training center in Bolivia, asked prayer for the dangerous political situation there. President Morales is a Marxist and announced his intention to bring the Cuban 'revolution' to Bolivia. This has caused concern among the evangelical population. Communist and socialist movements have historically persecuted Christians.

Nicolas asked us to write a paper on Communism in Latin America. This article is being shared with other pastors and congregations there, explaining the dangers and how Christians may respond. View it here: <http://www.smallings.com/LitEng/Essays/Communism.pdf>

Squint real hard and you can imagine us waving to you from Villahermosa, MX this month (center of map). We are training teachers in our leadership development program.

It's so much fun having you along with us. Thanks for all you do to encourage our ministry.

**Joyfully Serving,
Roger & Dianne Smalling**
