

# JOYFULLY SERVING

## Exciting developments

We have received requests for three new training centers this month; two in Mexico, one in El Salvador

Next month Roger accompanies the new president of Ministries in Action to Colombia, South America, to work out cooperative agreements with a movement there for leadership training and mercy ministry.

The first half of our book, *Personal Revival*, is available on our web site in English and Spanish. It's the first course for our leaders in training. [www.smallings.com](http://www.smallings.com)

Our books are also in Portuguese and available on a Brazilian web site. [www.monergismo.com](http://www.monergismo.com)

## Our vision

We call our vision for reformation in Latin America ***Visión R.E.A.L.*** (Reformación En América Latina)

To accomplish the goal we do two things: Establish reformation and leadership training centers throughout Latin America; write and distribute sound reformed literature. Latins can download this from our web site and start teaching right away.

We have twelve centers in Chile, Bolivia, Mexico, Costa Rica and Colombia.

We are grateful for the Lord's encouragement through your prayers and gracious partnership

**Joyfully Serving,  
Roger & Dianne Smalling**

Please Pray:  
Success of the three new training centers  
Safety & impact traveling to Colombia
