

Joyfully Serving

It's been a year of reformation celebration in the Yucatan in Mexico. Roger presented the finale over the weekend. Two hundred leaders participated in the seminar on Spiritual Leadership.

Ricardo (left) is the assistant pastor with an exceptional gift of administration. He has 150 people in 15 groups studying our Personal Revival course. They will proceed with Spiritual Leadership, then Doctrines of Grace. We love to see God calling and gifting His people for reformation and revival throughout Latin America. This is an answer to **YOUR** prayers! *

Their church secretary (left) labored hard behind the scenes to ensure all was ready for Roger's weekend of teaching. Another person gave our power points a trial run to make sure they worked correctly before Roger's arrival. *

Did you know . . . The economy of MX is the 13th largest in the world? There have been 11, 000 murders in MX since 2006? *

Our camera captured the colorful Mexican cafe where Roger downed three "head" tacos (tongue, eyes, cheek, ear and brains, cooked together and "moovooed" onto a warm tortilla). You don't have to eat this to be a missionary but it helps if you can. *
