If you poke us, we bleed two themes:

*God's wonderful **grace** and the value of a **personal quiet time**.*

God has consistently used His word to grow and guide us through years of ministry. How to develop one's personal devotions has been our emphasis when discipling others.

Last year a young Mexican asked us to put our devotional life material into a book. You have been praying for this. We have finished the first half,

*calling it **Personal Revival**.*

HI ROGER & DIANNE,

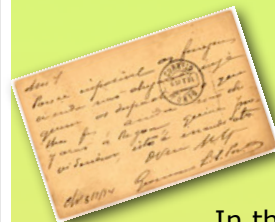

I CAME ACROSS YOUR SITE AND THOUGHT IT WAS FANTASTIC.

I GREW UP IN CHURCH BUT GOD BROUGHT ME TO FAITH WHEN I BEGAN HEARING THE DOCTRINE OF TOTAL DEPRAVITY, EVER SINCE THEN I HAVE BEEN NOURISHED BY THE DOCTRINES OF GRACE IN WAYS I DIDN'T EXPECT.

Genuine revival will always foster a high regard for Scripture. John Napier

Pastor Roger,
God placed you
as a personal
blessing in my
life.

In the past you helped us through some hurts and directed me theologically.

We came out of an abusive group and now you continue to mentor us in the context of our country's current political turmoil.

Pastor, I am blessed to know you and be a part of your training centers.

Thank you,

Nicolas *****
