# Joyfully Serving

Roger & Dianne Smalling

June, 2005

*I provide water in the desert to give drink to my people, ... that they may proclaim my praise.*

*Is 43:18-2*

Pastor Josué's zeal permeates his emails from Peru. He saw our web site a year ago and started two of our Visión R.E.A.L. training centers on his own.

Last month Roger taught in Lima, Peru. From there he took the 7 hr. bus trip to Huancayo to meet Josué personally.

You'll recall Josué's wife is Brazilian and wants to translate SI JESUS into Portuguese!

Josué started a pastor's council where some 60 ministers are meeting

monthly to pray for revival in Huancayo. Let's pray with them!

**It's so much fun having you along with us. Thanks for all you do to encourage us.**

## Book Blog

**We caught a brief glimpse of the closet floor before the newest edition of SI JESUS arrives next week. 1000 copies more to go throughout Latin America. 230 are already back ordered.**

**This morning we sent the final corrections on LIDERAZGO CRISTIANO (Christian Leadership) for printing. It should be ready in a few weeks. Hmmm, which closet....**

**Again...we ask you to pray for empty closets**
