

Joyfully Serving

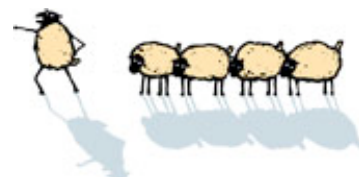

A church in the Yucatan has been celebrating John Calvin's 500th birthday all year long. Remember Roger did their kick-off service? They love Jesus and His gospel of grace. They took the entire year to enjoy this theme. Roger is soon on his way to speak at the grand finale. Pray as he challenges 200 pastors and leaders.

A church in Monterrey, MX is celebrating its birthday. It's now 125 years old! Eleven pastors and laymen of EL BUEN PASTOR have met weekly to study our Christian Leadership book. They invited us to their celebration and to teach their church in November.

We love to watch nationals mentoring future leaders. In Chile an accountant is planting a church. He is using our leadership program and has designed a beautiful mentoring outline. Pray for Ariel as he finishes teaching the first course on Personal Revival.

YOU go with us by praying!
