Young Reformers in Southeast Mexico

God is raising up young Reformers in southern Mexico through our Vision R.E.A.L. centers. Most have finished our Devotional Life course and are mentoring others. The Christian Leadership course next.

PRAY

Our new book, **JOYFULLY JUSTIFIED** is due out in July. Pray that the Lord uses it to bring further understanding and joy to His people.

This family's home was flooded to the roof in November.

They salvaged their dining table by carefully drying it out. They served us generous portions of Roger's favorite Mexican soup

on that very table in their shell of a home. Their parrot (in the window) seemed particularly delighted he too had been rescued.
