

# Joyfully Serving

We just returned from addressing the Congress of Christian Educators in Mexico. Fifteen churches were represented, of which many incorporate our Vision R.E.A.L. materials for training.

We used a planetarium in Villahermosa for our presentation. Imagine reclining in luxuriously padded seats to view our power points on the enormous IMAX screen. We made sure to keep it interactive, just in case someone lapsed into deeper meditation on the finer points!

Roger taught Justification by Faith. Our new book, JOYFULLY JUSTIFIED, arrived from the Mexican publisher right to the planetarium. The head of the local Presbytery offered a dedicatory prayer. The book was officially launched. **Pray it will exalt God's incredible grace throughout Latin America.**

(Top to bottom) 1. Christian teachers from 15 churches. 2. Carlos, introducing our newest book. 3. Two of ten siblings. . .the sister on the right slipped a lovely bracelet around my wrist with tender affection. 4. Newlyweds, Isaac & Tammi, register after driving down from their hometown in the Yucatan.

The map of Mexico resembles a muscular arm. The "wrist" is the State of Tabasco. Villahermosa is Tabasco's capitol. The "hand" jutting up at the end is the Yucatan Peninsula. Roger will teach there in the fall. **Please pray** for preparations for that trip.

Phil 1:4,5-"...I always pray with joy because of your partnership in the gospel from the first day until now..."
