**Christ is Risen!**  
**He is Risen Indeed!**

Grace is restless. It cannot sit still and do nothing. It wants to go places and do things.

The thing it wants most to do is glorify God. The place it wants most to go is back home.

Those who have received a generous portion of grace know this. Each, in his own way, feels compelled to give something back in gratitude. We do not know how else to give back our portion but to write and teach about God's amazing grace.

Dear Roger & Dianne,  
Ever since I read Si, Jesus ([book on grace](#)) I have valued its message and strategic acrostic to easily teach the essentials of grace.

As a pastor, my congregation has thanked me for having them read your book as part of their membership steps.

As a seminary professor, I require your book even when it seems irrelevant to the course.

- from a Latin American Pastor

On a return flight from Mexico, we struck up a conversation with the man next to Roger. Explaining our ministry, we mentioned the

difficulty of getting our books to Latin America. Brendan suggested we produce podcasts.

We could teach all our courses and books in Spanish for downloading across any border!

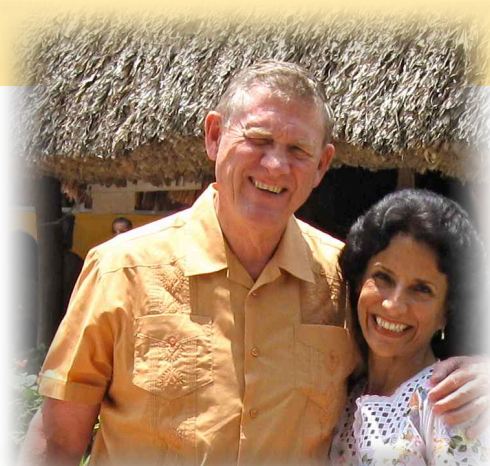

We are going to investigate this.

Prayer request:

\*That God grants us wisdom whether or not to pursue podcasting.
