Sometimes isn't often enough
to say such wonderful words.

Often isn't often enough
to touch the depth of their meaning.

Always is the only right time
whether spoken or not.

so,
Now is the time
and
Here is the where
to say
I love you

Roger

40 years ago as young missionaries near London, God joined us in marriage. It launched our lifetime adventure in His mercy and faithfulness. [NO ORDINARY DAYS](#) shares bite-sized excerpts of our adventure on four continents. You've been with us for much of the journey! Thank you.

We signed off last month with us waiting for a box of books on our doorstep. Happily, [JOYFULLY JUSTIFIED](#) in Spanish arrived and we danced over this book now being used throughout Bolivia.

From Bolivia: "We are very excited to have this book in Spanish! It will play a big part in helping our pastors to think and live true to God's Word. Thank you for your hard work in writing the outstanding material!"

Last week we improved the links on the [webpage](#). Excellent sites like Monergism, Third Mill, and Reforming Christianity use these resources in English, Spanish and Portuguese. We appreciate that.

Please pray for:

- *Preparation for teaching in Mexico in the fall
- *Two sermons on prayer
- *Preparation of a couple of new teacher's manuals for books we've written
