México

Hello Roger & Dianne,

Greetings from Ciudad Victoria, MX where the brethren remember you fondly, with great joy!

One evening the Sanchez family told me all about your work among them in 1983-84.

It seems they recall every moment and asked if I might find you by internet to tell you so.

Dear Pastor Roger,

Thank you for your fine essay on Romans 14 in answer to my question.

I have made copies of it for our 15 students. They will be finishing your online [Vision REAL program](#) soon and receiving their diplomas.

We'll send you photos of the graduation.

Pastor in Bolivia

I pastor of a Reformed church in Cuba. We have a national training center and I would like to train pastors and leaders using your [Vision REAL program](#).

Pray: for the final revision of our new edition of Christian Leadership. God graciously supplied through His people who gave specifically to this project.

Pray:
As I write, Roger is finishing another chapter of the student's manual for our Justification course. He will teach it in Chiapas in October.

-Thank you for your encouragement in our ministry-

Joyfully Serving,
Roger & Dianne
