

Joyfully Serving

A Bolivian Sunday School class enjoys a bit of sunny warmth outside at 12000 ft. altitude in La Paz.

Dear Pastor Roger,

I pray for you and Dianne,
that you both are doing well.

The Lord is blessing here in
Bolivia. The church I pastor is growing in its soundness due
to the clear teaching we have received.

May the Lord continue to use your ministry.

Great news ...

... At least 20 men accused of participating in a massacre in
Chiapas, Mexico in 1997 left prison Thursday morning
following a Supreme Court ruling Wednesday that their
convictions violated fundamental norms of justice.

The release of the 20 men, **most of them evangelical**

Christians, came after Mexico's Supreme Court ruled in a 4-1 decision that **they had been convicted in
unfair trials in which prosecutors fabricated testimony and illegally obtained evidence.**

(We have been praying for these men over the years)

Anything is a blessing which makes us pray.
