

JOYFULLY SERVING

"Please send us the final exam"

We had no clue he was teaching our grace course till this email arrived.

Teaching grace to open people. This is our focus. Our strategy is for nationals to use sound, easily accessible materials on their own turf. Our online program is called Vision REAL. It uses the internet to plow through borders we'd never physically reach.

There are no barriers to God's grace. Christians splash in it world-wide and are addicted to learning more. Strangers write, asking to translate our literature into Afrikaans, Vietnamese, Hungarian, to name a few.

MONTERREY, MX

May I use your Vision R.E.A.L. online training plan for the students I am mentoring? It's my passion to plant churches using these who I am teaching in evangelism and sound discipleship.

YUCATAN PENINSULA

Please come to Mexico to do a conference for our first graduating class of Christian teachers. We would like you to present JOYFULLY JUSTIFIED.

GUADALAJARA

We seriously want you to come down and do a seminar on justification this spring.

Thank you for letting God use you in this ministry
