"Books like this one led me out of this darkness and back to the gospel of Jesus Christ."

(from a reader of our book, [THE PROSPERITY MOVEMENT ... Wounded Charismatics](#))

This month it was published in Spanish!

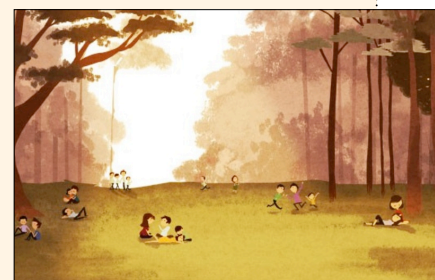

Hi Roger & Dianne

We recall our bible studies together here in Ecuador and your desire to spread the reformation. Your labor has brought fruit in our lives.

We began sharing the Gospel in the park. This resulted in a Bible study. We just now received official

recognition from the government as a new church of 30 people!

This dream was birthed when you were here with us, and we thank God for your lives. We just had to write you!

Hi Roger & Dianne

Thank you for your wonderful book on grace. It has been very practical, personally. Now I use it to disciple new believers here in Bogota.

Pray :

- \* for safe travels in the next few weeks
- \* Our new book to be a blessing all over Latin America
- \* blessing & growth for the new church in Ecuador

"others will praise God ... for your generosity in sharing with them ..."

2Cor.9:13

Joyfully Serving,

Roger & Dianne Smalling

Thank you for encouraging our ministry
