Our new year started with a

We woke up to an email from an Hispanic pastor requesting 25 Christian Leadership books for his church in Pennsylvania. Next, we received the following from Bolivia:

Dear Roger & Dianne,
We would like to print another 500 copies of your book on Justification here in Bolivia to give to the pastors we are training.

Many of the hundreds of Bolivians, Ecuadorians and Peruvians who have read your Joyfully Justified book say it is the clearest on the subject. They express a new appreciation and joy over what God in His grace has done in saving us.

We invited our pastor friend to come along to Roger's Christian Leadership conference in Mexico. We're excited to share the mission field experience with him.

Pray :

- * for the preparation of teaching in Yucatan
- * Our newest book now on the press in Colombia, South America.

... always pray and not give up. Lk.18:1

Joyfully Serving,
Roger & Dianne Smalling
