

# Joyfully Serving

Two boxes will arrive at our doorstep any day now. One contains fresh cherries picked lovingly from a relative's tree in Washington State. Is your mouth watering?

The other carton comes from even farther away. It contains 50 of our JOYFULLY JUSTIFIED books, from south of the equator. The remaining 950 copies are being distributed right there in Bolivia where they were printed.

**You might be a computer redneck if...**

**Your E-mail address ends in ".over.yonder.com"**

We hope you're still smiling when we tell you that Dianne's back up hard drive gave up it's short life span and swallowed our latest email list.

If you receive this letter to the wrong address, please let us know.

The good news: we are well into revising most of our manuals and documents we had you praying about.

*pray for future leaders for a Reformation in Latin America*

We detect fresh excitement over grace throughout Latin America.

A minister in Chile ordered 30 books on grace. We reminded him that the postal service could take two months from here to there.

It didn't deter him in the least.

The biblical concepts of grace, mentoring, servant leadership and personal revival are foundational for a reformation in our day. We want to ride the crest of this wave.

**Pray for an upcoming trip to Mexico.**  
**Pray for young people who are called to be reformers in our day and beyond.**
