Joyfully Serving

- from Colombia, South America

What a satisfaction to discover your online resources. We have several churches here in Colombia using your excellent leadership course.

Our people grasp the material well. I'm in charge of the classes. Each Sunday our entire church reviews a major point. Thank you for putting these materials at our disposal.

Several pastors approached Roger in Merida, Mexico last week saying, "Your SI JESUS book has revolutionized the way we teach grace. Our people are understanding it for the first time. The acrostic is excellent."

Next we head to Queretaro to present PERSONAL REVIVAL to Mexico's Christian Teachers. Pray we go revived by God's grace.

Our Mexican "daughter" Paola who directs a Christian school, phoned to say she may be able to attend this conference. Teachers from her region are traveling to the event.

In January, Roger will return to Merida to present a "tuff stuff" seminar for pastors who want to give clear answers to questions about God's sovereignty and grace.

Thank you for encouraging our vision!
