

Joyfully Serving

Miracles come out of such kitchens in Mexico. We certainly don't suffer, food-wise! Notice the joy as this dear believer shares hospitality.

Her spice is love.

Ernesto is grateful Roger is willing to come teach the church leaders smack-dab in the heat of a Yucatan summer. The next trip is approximately Roger's 12th visit! Spicy food, warm fellowship, and a hot climate! Get the picture?

Hi Roger & Dianne,
I have your book on grace, "Si Jesus" and am interested in the teacher's manual. We are using this material to plant a new church in Panama.

Hi Smallings,
We are using your very useful course on [Personal Revival](#) here in Tijuana.

Personal Revival

Like a scene from Happy Days, God treated us to Father's Day with Dianne's daddy, 94, and family.

Praise and prayer:

Finished revising two manuals. One to go.

Prayed with daddy to know Jesus as Savior! Pray he truly trusts HIM.

Pray new Leadership books arrive before we travel soon.

Joyfully Serving,
Roger & Dianne
