MENTOR: *"a trusted counselor or guide"*

An email arrived inquiring: "I would like to be a Vision R.E.A.L. mentor. What are your requirements?"

We're fluent in Spanish. But one of the hardest concepts to explain in that language is the meaning of "mentor." Ironically, it's spelled the same. Yet many Latin Americans endure a political and religious leadership style based on dictatorships.

Our reformation training is based on mentoring and servant leadership. Integrity is the backbone virtue.

This summer we fly to Bolivia to teach Christian leaders in two cities. We will emphasize mentoring. The first page of our

Christian Leadership book states, "Everything necessary for being an effective Christian leader is found in the Bible." (2 Tim.3:16-17)

We are privileged to share with those who will make a difference in reforming Latin America.

Did you know there are nearly a million Presbyterians in Mexico? Think how many Christian teachers are in those churches. Several hundred will gather in Queretaro for training. We will teach our PERSONAL REVIVAL course.

We ask prayer for true revival!

We are thankful for you
