By now, you would think we'd feel complete confidence in teaching for hours in Spanish.

Every trip to Latin America entails fresh reliance on God, particularly for fluency in the language.

We are aware of "foot in mouth" mistakes. Once Dianne confused the Spanish word, "lovers," meaning "loved ones," to the amusement of the congregation! When you pray for us, remember to pray for our ability to convey concepts in Spanish.

In a couple of weeks we teach Gods Grace in Monterrey, MX.

From there,

we teach the local Presbytery on Ecclesiology.

The following day Dianne will do a women's conference and then we teach three congregations on Justification by Faith.

We'll surely appropriate the Lord's promise for strength and anointing.

Pastor David pastors a 125 year old church downtown Monterrey, MX. Roger preaches and teaches there.

Daddy passed away Feb.8.
God allowed us precious time together just before. Thank you all for your sweet condolences on my

Please pray for

In a very real sense, you are our team! Thank you.
