MUCHAS GRACIAS!

FROM AN HISPANIC PASTOR IN CALIFORNIA

You and your wife are a great encouragement to me.

I have been in the mission field for 30 years and have felt alone teaching sound doctrine but every month your newsletter is an encouragement.

I am heading to Pakistan, India, Zimbabwe, South Africa and Chile, teaching the doctrines of grace.

You inspire me greatly. What you are doing in Latin America confirms for me that what I am doing is in God's will.

FROM A MINISTER IN MEXICO

I have good news for you. We are seven church planters beginning your leadership training program, [Visión R.E.A.L.](#)

Yesterday we began the Personal Revival course using your book.

FROM A PASTOR IN SPAIN

I appreciate your wonderful ministry of grace. Thank you for your helpful book, [JOYFULLY JUSTIFIED](#).

I will use your materials to form my students into teachers.

FROM CUBA

I am a Cuban pastor who also shares your desire for Reformation.

We are beginning your training program using your online materials.

We have many who are interested.

PRAY

for wisdom about printing more hard copies of certain books.
We're almost out of them.

Our ebooks are being used worldwide on Kindle in English, Spanish and Portuguese. Yet some still prefer hard copies.
