

JOYFULLY SERVING

Reformation In Latin America
Smallings' books

Many ask about our friends in Ecuador since the devastating 7.8 earthquake on April 16. Thankfully, we quickly learned that none of our churches were affected. We ministered 12 years there and pray that many will look to God in this crisis.

Cristel, an elder in one of our church plants in Quito, excitedly shared how several churches there are using our book, *Si Jesús*, to disciple. By Skype this week, Cristel held up his original copy that we dedicated to him in the 90s. We love their zeal for the Lord.

It's like the united nations of Latin America as we teach folks from eight different spanish-speaking countries. Our *Church Government* course is in its final draft for classes beginning in May.

Pray
*for the Ecuadorian believers as they minister to the needs of their people and
*for the 8-wk course we are teaching

Do you have the gift of hospitality? These two sisters sure do! They gave us their bedroom while we ministered at their church in Mexico. Esau, on the right, arranged all our meetings.

We thank the Lord for those who give so much to make our ministry run smoothly south of the border.

That describes you! You expedite our ministry through prayer, encouragement and generosity. We thank God for you!
