Dear Dr. Smalling,

I pastor a church and teach
at a Bible school in Saigon.

When I read your books on
line I found them very helpful
for our Vietnamese
Churches and students.

May I translate your books
into Vietnamese?

On Monday night we drive a half hour away to teach
seminary students from **seven different** Latin American
countries! They are studying our course, *Joyfully Justified*.

Our revised Christian
Leadership books arrived.
As I write, they sit to one
side of my desk area. *Pray
this new edition* into the
hands of Latin Americans
throughout the nations!

Please Pray :

...as Roger goes to Toluca, MX

...as we both go to Merida, MX

...for safety and anointing on our trips

...Pray our books out the door!

~Thank you
for letting God use you
in this ministry~

Joyfully serving,
Roger & Dianne Smalling
