We arrive in Acapulco at midnight...

We've mastered Spanish but quirky schedules seem to call for a cup of strong coffee to mimic fluency.

We count on your prayers as we embark on another of your investment journeys to His church in Latin America. We'll be teaching five conferences in two cities. After that to Monterrey, Mexico for two more seminars.

PRAY FOR

Clarity in teaching

Safe travel

Airlines to accept amount of books we're transporting

A word fitly spoken is like apples of gold
in a setting of silver. Proverbs 25:11

from a pastor in Georgia,

Just wanted to let you both know that I have been blessed by your writings.

Roger, please keep writing, teaching and connecting with people. I pray that he continues to work both in and through you for His glory, the good of leaders all over the world and for the good of the Smallings.

Dianne, your "No Ordinary Days", was a blessing. Those brief writings were used by Jesus to minister to me at deep levels.

Be not weary in doing well because you just never know who you might be ministering to... even a pastor many miles away.

We are thankful for you!
