

# Joyfully Serving spring

*Dear Smallings,*

*For years we have recommended your book on grace (Si Jesus) to many in our work here in South America. We have 550 graduates in our pastoral training, and currently have 600 active participants involved with us.*

*Many are pastors in ministry who by God's grace are learning to think and live biblically.*

*We have made much use of your web site as we put good materials in pastors' hands. God is impacting lives and churches through the study of His Word.*

## Keep praying:

\*For healing of Moises' wife. Moises leads three of our training centers in Central America. Maribel has just undergone surgery. Please pray the outcome will be encouraging.

\*When we aren't traveling, Dianne teaches a young moms' Bible study. Pray the Word will influence generations.

\*Pray as we put final touches on a writing project.

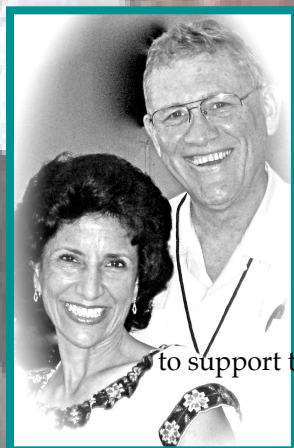

\*This week we mailed 50 books on grace to a Texas Bible school. From there, a Mexican student will take them to his city south of the border. A large church in that city will train its new members using these books. We are amazed how God uses many hands to get our books where they're needed.

"With man this is impossible, but with God all things are possible." Mt.19:26
