Panama's land bridge unites *The Americas* physically. We went there to hear how God is uniting His church throughout Latin America.

Represented were key pastors who faithfully spread the gospel of grace from Canada to Uruguay. Our **Vision REAL** program was officially welcomed as a member of this fellowship of Reformed Latin American ministers (called **CLIR**) at their 20th anniversary.

"I have taught your course on Christian Leadership three times." This Colombian pastor was one of many at the Panama conference we met who were already using our web resources and books.

- Thank you Ava for this sweet note today. And we thank you who pray, give, and trust God with us for Reformation in Latin America -

"For years I was a pastor in an unbiblical movement. Someone gave me your book on grace. It changed his life." He is now a Presbyterian pastor in his country of Costa Rica and expressed his profound gratitude.

Dear Mr and Mrs Smalling,

Thank you for telling
people about Jesus.
I will be praying
